

USPC Academy of Achievement Nomination Procedure

Recommendations of Alumnus(a)

The U.S. Pony Clubs, Inc. is seeking nominations for the USPC Academy of Achievement. Up to eight Pony Club alumni who have been outstanding in their fields after leaving Pony Club will be selected by a national USPC committee for this honor. As they will be participants in the National USPC Youth Congress, those nominated should be articulate and comfortable in large groups. They should enjoy working with young people and be willing to spend two days in small group discussions and activities focusing on young people's development. The outstanding alumni selected for this honor will be inducted into the Academy at USPC's Annual Meeting at an Honors Banquet held the last weekend in January.

Qualifications for nomination are the following:
