

The USPC Founders Award

Each year, the Advisory Committee selects and presents to the USPC Board of Governors a nominee, or nominees, to receive the Founders Award.

Persons eligible to receive this prestigious award must be living individuals who have been active volunteers in Pony Club for at least 20 years and who have served on the National level, either as a member of a National Committee or on the Board of Governors. Ideally, such a person should also have made a significant contribution to Pony Club in his or her Region or local Registered Club. The names of prior recipients of the Founders Award can be found in the USPC Directory.

If you wish to nominate someone who meets these high standards, and has not yet received the Award, please fill out the attached form and return it by July 1st to:
