

USPC Foxhunting Recognition Program

SECTION TWO Mounted

Upon successful completion of both "SECTION ONE" and "SECTION TWO" of the USPC Foxhunting Recognition Program, the candidate will earn a USPC Mounted Foxhunting Certificate and USPC Foxhunting Pin to be worn on the lapel.

The passing of the Hunting Test should confirm that the Pony Club Member is capable of safely hunting; this should be present in the Examiner's mind throughout the testing process. The Pony Club Member either passes the whole test or fails the whole test at the discretion of the Examiner.

If the Pony Club Member fails the test, it is recommended that they accompany the Hunt for another day of foxhunting. Examiners are encouraged to explain to the Pony Club Member what is taking place throughout the day and informally ask the Pony Club Member questions.

Hunting day to include:

- Saying good-morning to the Master(s), Secretary, and Hunt Staff
- Demonstrating appropriate conduct while riding in the field
- Shutting a gate using a hunting whip (if available)
- Saying good-night to the appropriate Staff/members

Please obtain all signatures below and upload to the USPC Foxhunting Recognition Program to complete SECTION TWO.

Hunt Club: _____

MFH Signature: _____

DC/CA Signature: _____

DC/CA Name (printed): _____
