

A Message from the President and Chief Executive Officer

This past year has been a very busy and exciting one for the Pony Club organization.

Dan Murphy

2012 started with our Annual Meeting held in New Orleans, Louisiana, hosted by the Deep South Region with 611 attendees. The keynote speaker for the meeting was Dennis D. French,

DVM from the University of Louisiana. The National Youth Congress and the Academy of Achievement were again held in conjunction with the meeting. The following were inducted to the Academy in 2012: Lorraine Ausley, Laurie Chapman-Bosco, Parker Pearson, Yvette Seger, Ph.D. and Dr. Jennifer S. Welter, DPT.

Final 2012 year-end membership (youth) was 8,917. Clubs and riding centers totaled 592. In 2012, 310 members passed their National Level Certifications. This included: 156 H-Bs, 64 C-3-Traditionals, 5 C-3- Show Jumping, 9 C-3- Dressage, 32 B-Traditional, 8 B-Dres-

Kevin Price

sage, 1 B-Show Jumping, 23 H-HM/H/H-A, 7 A-Traditional, and 5 A-Dressage. There were no members tested for A-Show Jumping.

The Horsemasters Program was updated with the introduction of Standards of Proficiency structured specifically to address the riding and horse management needs of this group. The Hunter Seat Equitation Standards and Certifications track was approved and launched in 2012. Pony Club added Polo as a discipline and a rulebook for play was produced. The Western Riding Track pilot program was approved in 2011, and began in 2012 with over 60 Clubs participating in the program, providing lessons and the chance to certify to the C-2 level with the Western Standards.

confidence

The new editions of the D and C Manuals were released this year, with work progressing steadily on the Upper-level Manual. 2012 also saw the implementation of the Youth Protection Policy and Training Modules.

The new e-learning environment, the Pony Club "Tack Trunk," was launched successfully to help provide more educational materials to our membership and to improve the existing online educational content. A new E-membership category was approved in 2012 and will provide an online membership option to engage individuals who do not have horses but are interested in learning about them in hopes to attract future Pony Club members. A new online youth membership renewal option was introduced for the first time in 2012 with much success.

t e a m w o r k

The United States Pony Clubs once again showcased an educational booth in the Kid's Zone at the Alltech National Horse Show in the fall. Halloween fun, with trick-or-treating for the kids highlighted the event for both the youth and staff members in attendance. Several riders competing over the week are successful Pony Club alumni.

2012 saw Pony Club host two Championships, East and West. There were 555 competitors in Lexington, Virginia, for East and 119 (including 1 Horsemaster!) in Cle Elum, Washington.

The Prince Philip Cup Mounted Games Competition was held during the Rolex Kentucky Three-Day Event. Pony Club also hosted the ever popular "Celebrity Challenge Round" where Rolex Celebrities joined the Pony Club teams for several races during one round of play. Pony Club sent three teams to Dressage4Kids, two competing in New York and one in Michigan. There were also several Pony Club members riding as club teams

s p o r t s m a n s h i p

and individuals at both competitions. Pony Club's 2012 USEF Pony Jumper Finals team brought home the highest placing any USPC team has ever achieved, coming in third overall and claiming the bronze medal. Two of the riders on the team also finished in the Top 25 individually. The International Games Exchange was the only exchange USPC participated in this past year.

Pony Club received two grants, one from USA Equestrian Trust and one from the International Horse Show, Omaha to help construct the new Equine Educational Exhibit. This exhibit made its debut at the International Horse Show in Omaha in April of 2013.

2012 saw several gatherings for Pony Club Alumni, including one at the Rolex Kentucky Three-Day Event and the Pentathlon Olympic Trials in Charlotte, North Carolina.

As you read this 2012 Annual Report, we hope you will see that we appreciate your membership, service and support. We all have much to be proud of, but much work is still ahead. We have and continue to set the bar high! With your help, our goals can be achieved, because we know Pony Club offers education, competition and personal growth opportunities that other equine organizations only dream about.

Best Regards,

Dan Murphy
President, Board of Governors

Sincerely,

Kevin Price
Chief Executive Officer

Demographics: Who Are We?

The United States Pony Clubs, Inc. was founded as a non-profit national educational organization in February 1954. The founders were enthusiastic foxhunters who recognized the need for an organization to provide sound instruction for all interested children, especially those who otherwise could not afford expensive lessons. The USPC was patterned after the British Pony Club but was and is independent from Pony Club there.

volunteers

While the core of Pony Club is the family, the foundation of Pony Club is volunteerism. Pony Club is run largely by volunteer leaders at the local, regional and national levels. Without our

fun!

volunteers there would not be Pony Club. Our volunteers are passionate about Pony Club and spend untold hours working to the betterment of their Clubs, Centers, Regions and the National organization.

With more than 500 Clubs, 60 Riding Centers, and 68 Horsemasters

Groups, we serve more than 9,000 youth and adult members. Our focus is on educating the whole person. Pony Club members learn horse management and riding skills. But just as importantly they learn valuable life lessons – Leadership, Teamwork, Confidence – and a sense of community.

stewardship

We are much more than our name. We produce horsemen and women, and in the process, we produce leaders, citizens and scholars! Pony Club counts many government officials, military leaders, doctors, nurses, scientists, business leaders, teachers, professors and equine professionals as alumni.

Hear from our Future Leaders

Here are excerpts from the Development Presentation given by Macy Anne Carman at the 2013 Pony Club Annual Meeting.

Ask not what Pony Club can do for you, but what can you do for Pony Club! We have all heard that before. Now while as honorable as that sounds, I don't think that it really applies to our involvement in Pony Club.

First off, I think that is important to reflect on what Pony Club has done and continues to do for you, your children, or others you love. This not only allows for room to appreciate what could be improved or changed, but also allows you time to appreciate the Pony Club experience in a way that we often overlook when we are sunburnt, exhausted, frostbitten, grimy, insert any adjective you would like here.

Over the past year I have had a lot of reasons to reflect on what Pony Club has done for me. As Chair of the National Youth Board, a member of the Board of Governors, a working student, and a senior in college applying to graduate schools, Pony Club seemed to show up over and over again and in way far more influential than knowing how to pick feet or ride out on trot sets with horses preparing for 3 stars, although my boss might disagree.

Instead it has shown up in ways such as being able to present myself in a competent manner in front of

Macy Anne Carman

people: in interviews, in front of a group of the British Pony Club, on a radio show, and hopefully right now. A certain unnamed national examiner used to make me do my evaluations over and over again, starting again from the beginning if she felt it could be improved which instilled in me the importance of

content and delivery that applies far beyond free-forward-movement.

Another thing that has always been stressed during my years as a member was giving back. This consisted of things like teaching the D's about the correct way to blanket or their posting diagonals, being a stable manager or assistant stable management judge rather than taking my own horse to rally, teaching for different clubs as I found my nomadic life leading me around the country, and spending my time working with some incredible members and supporters on the National Youth Board and the Board of Governors. It has been with my work in the administration of the organization, and as my role began to shift to from member to volunteer I began to understand the importance of giving back in financial terms as well.

Pony Club dues only cover about 40% of the cost of the services that they provide to us as members. The remainder is covered by donations and grants to the Annual Fund, as well as other revenue sources. By giving to the Annual Fund, we are saying that we appreciate and support Pony Club and we are doing so in a way that can be statistically measured. I felt like my small contribution would be more hassle than it was worth, and it would not impact the Annual Fund. It turns out that the most important number that we are capable of impacting is that of participation.

So as the weekend begins to wind down, and the exciting Pony Club year starts to leg up I encourage you to take a moment to reflect on what Pony Club can do for you and what can you do for Pony Club! Thank You.

Financial Statements

Reading and understanding our financial statement is really very easy. The bottom line is Total Assets minus Total Liabilities = Net Assets.

Our Statement of Financial Position, which follows, is often referred to as a Balance Sheet. However, the term Statement of Financial Position is most often used for Not-For-Profit organizations. It shows what the NFP owns (Assets) and what it owes (Liabilities) as of a particular date. The difference between Assets and Total Liabilities equals Net Assets.

How Can You Help?

The United States Pony Club is a non-profit equestrian educational organization which serves youth up to 25 years of age. In addition, the Pony Club Horsemasters Program for Adults allows the Pony Club education to continue on after graduating, or even begin for those who did not have the opportunity in their youth. The foundation of the Pony Club education both in and out of the barn is safety, horsemanship, sportsmanship, leadership, stewardship and fun. Members learn riding and mounted sports, and the care of horses. The skills and values instilled through Pony Club teamwork and horsemanship apply to every aspect of life.

Pony Club is supported by the efforts of dedicated volunteers. But we still need the help of alumni, friends and our corporate sponsors. There are many ways you can help:
