Where it all begins

How Can You Help?

The United States Pony Clubs is a non-profit equestrian educational organization which serves traditional members up to 25 years of age. In addition, Pony Club Horsemasters membership allows Pony Club education to continue on after graduating, or even begin for those who did not have the opportunity earlier in life. The foundation of Pony Club education both in and out of the barn is safety, horsemanship, sportsmanship, leadership, stewardship and fun. Members learn riding and mounted sports, and the care of horses. The skills and values instilled through Pony Club teamwork and horsemanship apply to every aspect of life.

Pony Club is supported by the efforts of dedicated volunteers. But we still need the help of alumni, friends and our corporate sponsors. The 2015 audited financial statements are available for viewing here:

Mission Statement

The United States Pony Clubs, Inc. develops character, leadership, confidence and a sense of community in youth through a program that teaches the care of horses and ponies, riding and mounted sports.

2015 Year in Review

This past year has been a very busy and exciting one for the United States Pony Clubs:

- 2015 started with our Annual Meeting held in Arlington, VA hosted by the Virginia and Capital Regions with over 650 attendees. The keynote speakers were Brian and Lisa Sabo, both graduate A members and 2015 Academy of Achievement Alumni inductees. The National Youth Congress and Academy of Achievement were again held in conjunction with the meeting. The following volunteers received the USPC Founders Award: Anna Clader, Ellen Fischer, Vicki Fox, and Barbara Germann.
- 2015 year-end membership (youth and Horsemasters) was 8,689. Clubs and Riding Centers totaled 577.
- Adult Horsemasters became fully integrated into USPC by allowing Horsemasters Members to directly join clubs or centers or form a new club or center, bringing this participating member category in line with youth membership options.
- A total of 21 new facilities were approved as recognized riding centers and 12 new clubs (5 of them, former Horsemasters groups) were registered by the USPC Board of Governors.
- The 2015 National Level Certification statistics: as of December 31, 2015, 211 members passed their National Level Certifications. This included: 104 H-B, 14 H-HM/H/H-A, 47 C-3 Traditional, 4 C-3 Show Jumping, 12 C-3 Dressage, 19 B-Traditional, 1 B Show Jumping, 4 B Dressage, 5 A Traditional, and 1 A Dressage. 21 candidates are eligible to complete their retest by August 31, 2016.
- Visiting Instruction was able to match 15 camps and sent out 8 Visiting Instructors.
- The National Examiners and Chief Horse Management Judges Seminars were both held in 2015 for continuing education and the standardization of national testing and Horse Management at rallies.
- The newly revised D-1 - A Traditional (Eventing) Standards were approved by the Board of Governors for release in 2016.
- Improving technology opportunities allowed USPC to host 16 webinars with over 260 attendees. Viewings of previous webinars reached 2,959 and ranged in topics from riding and horse care to leadership development.
- Pony Club welcomed Merck Animal Health as the Sponsor of the USPC Tutoring Tuesday webinar series.

- This was the second year USPC was a sponsor at the Rolex Kentucky Three-Day Event and had a booth on sponsors row with interactive fun for past, present, and future members. The Pin Promise created by the NYB continues to be popular among alumni and ShopPonyClub offered spirit wear with an onsite store front.
- In 2015 USPC was the sponsor of the Interscholastic Equestrian Association Finals Written Test for both Hunt Seat and Western, promoting education within other youth organizations.
- The Mattingley Leadership Training Fund was established in 2015 through a generous gift from Dave and Patsy Mattingley and the Bates Family Foundation. This fund will support training for club, center and regional Pony Club leaders.
- In 2015, USPC began development of a new Financial Reporting System to ensure consistent data reporting of financial information and ease the compliance tasks of our volunteer leadership.
- In 2015, Charitable Registration Compliance for clubs and regions was brought in-house to the National Office. This effort is reducing costs and increasing our compliance ratio. As of 12/31/15 USPC clubs and regions were 85% in compliance, with a goal of 100% in 2016.
