## How Can You Help?

The United States Pony Clubs is a non-profit equestrian educational organization which serves traditional members up to 25 years of age. In addition, Pony Club Horsemasters membership allows Pony Club education to continue on after graduating, or even begin for those who did not have the opportunity earlier in life. The foundation of Pony Club education both in and out of the barn is safety, horsemanship, sportsmanship, leadership, stewardship and fun. Members learn riding and mounted sports, and the care of horses. The skills and values instilled through Pony Club teamwork and horsemanship apply to every aspect of life.

Pony Club is supported by the efforts of dedicated volunteers. But we still need the help of alumni, friends and our corporate sponsors. The 2016 audited financial statements are available for viewing here:
