

VOLUNTEER RECOGNITION AWARD

In 1993, this award was established by the United States Pony Clubs (USPC) Board of Governors. The USPC Volunteer Recognition Award is intended to be a special honor for the most dedicated Pony Club volunteers who have gone above and beyond the call of duty. When club, center, or region representatives have identified someone they would like to honor with this award, they may complete the Volunteer Recognition Certificate to present to the volunteer. Following the award presentation, this form should be submitted for an upcoming post on the Pony Club Blog and/or on social media to honor the recipient.
