Pony Club International Alliance Virtual Dressage Show

June 30, 2021 (Lexington, KY) — Pony Club members are competing internationally in the virtual arena of the first-ever Pony Club International Alliance Dressage Show. The virtual dressage show has been put together with five classes consisting of: Training Level 14 and under, First Level 14-18 years, Second Level 18 and above, Pas de Deux (all ages), and Prix Caprilli (all ages).

This event is to further promote the international membership in an activity that includes all countries and members during this time of COVID-19. While many countries are back to more normal activities others are still in lockdown. The excitement for the inaugural PCIA Virtual Dressage Show is mounting among those entries and their countries.

With 141 entries from Australia, Canada, Hong Kong (China), Ireland, New Zealand, South Africa, the United Kingdom and the United States, the competition showcases Pony Club members worldwide.

Final results to be recorded and awarded on July 3, 2021.
