Find the United States Pony Clubs at Equestrian Events This Spring and Summer

April 11, 2023 (Lexington, KY) — The United States Pony Clubs, Inc. (USPC or Pony Club) is headed for a busy spring and summer. We hope you will visit us and take advantage of special Pony Club-related activities at events like the Land Rover Kentucky Three-Day Event, Equine Affaire Ohio, and at the Interscholastic Equestrian Association (IEA) National Finals.

“The United States Pony Clubs finds it crucial to get out into the equestrian community to meet members and those interested in Pony Club,” said USPC Executive Director Teresa Woods. “We always love meeting our members, talking to Pony Club alums, and answering questions from those who might be interested in the United States Pony Clubs. In addition, USPC has a lot of exciting activities planned in connection with the Land Rover Kentucky Three-Day Event.”

Please find us at the following events:

Equine Affaire Ohio, April 13–16, 2023, at the Ohio Expo Center in Columbus, Ohio: Visit the United States Pony Clubs at booth #1208 at Equine Affaire Ohio, and talk with National Office staff and local Pony Club leadership and learn about all that USPC offers for members.

IEA Hunt Seat and Dressage National Finals, April 26–30, 2023, at the Tryon International Equestrian Center in Mill Spring, N.C. and the IEA Western National Finals, June 23–25, 2023, at the Will Rogers Memorial Coliseum Complex in Fort Worth, Texas: USPC is a proud sponsor of the Virtual Written Knowledge Test at the Hunt Seat, Dressage, and Western IEA National Finals and will present awards to winners of this knowledge-based competition at both locations. In addition, please visit the USPC booth on-site in Tryon and Fort Worth.

Land Rover Kentucky Three-Day Event, April 27–30, 2023, at the Kentucky Horse Park in Lexington, Ky.: USPC is a proud sponsor of this event, and the official USPC booth is located on The Hill at Booth #301 next to the Steeplechase Barn. Come talk to National Staff, find out more about Pony Club, and shop for official USPC educational materials, apparel, and accessories at Shop Pony Club.

USPC members and the public are encouraged to come to the USPC booth to find out about special

events and contests, including a Sunday morning course walk of the 4* show-jumping course for participating USPC members and a drawing for an exclusive meet-and-greet barn tour. Visit Booth #301 on The Hill for a detailed schedule of events.

In addition, Pony Club is sending four teams to compete in the EEI Mounted Games Invitational, which will take place Friday afternoon (1:30 p.m. to 3:30 p.m.), April 28, and on Saturday morning (starting at 8:30 a.m.), April 29, in the Walnut Arena. All attendees are welcome to come watch this fast-paced Mounted Games action. Mounted Games is one of USPC's 11 competitive disciplines and features a series of relay-style races on horseback, where the riders must perform different skills, such as picking up objects from the ground while remaining in the saddle, weaving through a series of poles at high speeds, handing items off to teammates without slowing their ponies, and dunking objects into buckets (sometimes at a gallop!).

Not only can attendees enjoy watching Pony Club riders in the EEI Mounted Games Invitational, but members of the Bluegrass Pony Club and Keeneland Pony Club will once again serve as flag-bearers on Saturday night prior to the \$226,000 Kentucky Invitational CSI3* Grand Prix and on Sunday morning during the opening ceremony presentation of officials before the CCI4*-S Jumping Test in the Rolex Stadium.

For those who are unable to meet Pony Club at the equestrian events listed above, you can always find out more about Pony Club at www.ponyclub.org or call our office at 859-254-7669.

About The United States Pony Clubs, Inc. — The United States Pony Clubs, Inc. (USPC or Pony Club) is a 501(c)(3) nonprofit educational organization that builds the foundation of teamwork and sportsmanship through riding, mounted sports, and care of horses and ponies, while developing and enhancing leadership, confidence, responsibility, and a sense of community in its youth and adult members. USPC is proud to offer instruction and competitive opportunities in 11 competitive disciplines through hundreds of clubs and centers across the United States. USPC's educational standards continue to be instrumental in curriculum development for schools, universities, equestrian professionals, and organizations across the United States. Many of the nation's top equestrians, including Olympic team members, as well as successful business professionals and leaders in a variety of fields, have roots in Pony Club.
